Dear New York Bowhunters,

Thank you! Your donation is appreciated and will certainly help CANY with the cost of the lawyer fees associated with the injunction filed against the Governor and the Commissioner to prevent the closure of the Pheasant Game farm in Ithaca. You can be assured we will continue to keep a watchful eye on Sportsman and sportswoman related issues. Be sure to keep aware of these issues by watching our website at www.canyus.org.

Sincerely,

Gene Molyneaux
President
