2017 DONATION HUNT: NEW YORK BOWHUNTERS

Ten days plains game hunt for two hunters in the malaria-free Matlabas Bushveldt, Limpopo Province, South Africa (day of arrival and departure included). This hunt is available in 2017 on a mutually agreed date between 1 April and 30 October. This is a minimum ten day hunt of which the daily rates for the first five days are included in the donation. In addition, the following animals are included for each of the hunters: one Blue Wildebeest plus any two of the following: Warthog or Impala or Steenbok or Bush duiker. The hunt includes accommodation, meals, laundry service, the services of a professional hunter and trackers and skiners, field preparation of trophies and delivery to a taxidermist or 'shipper & dipper' in Limpopo. Transport from and to Johannesburg International Airport is excluded – cost \$250 per hunter each way. All Value Added Taxes are included in the rates, except tax (14%) to be charged on wounded animals that are not recovered and thus not exported.

This is a compound or traditional bow hunt and may be upgraded or extended (for extra days or additional hunters or non-hunters) as per the current price list. Accompanying non-hunters are welcome.

Additional species that may be hunted include Limpopo bushbuck, Cape eland, gemsbok, kudu, nyala, red hartebeest, plains zebra, waterbuck, giraffe, caracal, black-backed jackal, vervet monkey and chacma baboon. The conservation authorities in South Africa allow the export of only one monkey and one baboon per hunter as a hunting trophy. The hunters on this hunt may however shoot additional unlimited monkeys and baboons, for free, provided not more than one of each are to be exported. Sable, tsessebe, roan and buffalo may also be available on other concessions. Prices are listed on the website www.matlabas.co.za/hunting. This is a 'bow hunting only' concession.

There are no licenses or permits required for plains game, but permits for small cats, monkeys and baboons need to be obtained prior to the hunt. A Conservation Levy of US \$ 10 per animal taken will be charged and will go to the Conservation Fund of the Professional Hunters Association of South Africa.

Accommodation is provided at Matlabas Game Lodge. The scrumptious meals are mostly traditional South African Bushveldt cuisine and venison is regularly served. The lodge consists of 4 thatched rooms and 2 en suite Meru type safari tents. The lodge has 220 Volt electricity, and other features include a lounge with satellite TV, a wildlife and natural history video library, a swimming pool, a 'lapa' where there will be a camp fire every evening, and a curio shop. A daily cleaning service is included in the hunt. Basic toiletries and towels are provided.

Excursions and other activities for non-hunters as well as tours and/or photographic safaris at the end of the hunting safari are also available (a safari to the Kruger National Park is very popular with visitors from abroad and can be recommended). Fishing, scuba diving and/or wing shooting is also available prior to or after the hunting safari. Details will be provided on request.

This is one of South Africa's prime bow hunting destinations, but this hunt cannot be exchanged for other goods or services or alternative hunts. Nor can the free animals be exchanged for other species. This hunt is ideal for two hunting friends, or a hunting couple, who would like to experience authentic African bow hunting. Should only one hunter be able to make the trip, the donation value for the second hunter will be forfeited. This is a 100% donation to New York Bowhunters.

Donation Value: US \$7650 (per 2016 price list)
